

Opening Perspectives 13

At lunchtime on Monday the 20th November 2017, The Right Worshipful the Lord Mayor of Sheffield, Councillor Anne Murphy opened the Sheffield Photographic Society Perspectives 13 Exhibition.

The Perspectives Exhibition is held every year in the Winter Gardens Sheffield and gives members of the Sheffield Photographic Society an opportunity to exhibit some of their images. This year we are proudly displaying images by 42 members of The Society. We are also fortunate to have been given the opportunity this year, to extend the exhibition over 2 weeks.

The Perspectives 13 Exhibition will be in the Winter Gardens Sheffield until Sunday 3rd of December. Please come along and have a look.
