## Hall of Fame Report 2017-2018

Our members have had a busy and successful year judging by the Hall of Fame. Many members had acceptances and awards in YPU and Wath. Judy Smith and Erica Oram also had entered International Salons and had acceptances. Gareth Morgan has 3 photographs on permanent display at Kelham Island in the Hawley Gallery. Congratulation to Steve Dorey who has just achieved the CPAGB award. Congratulation to all our members for their success.
