Would you like to have one of your pictures printed and displayed at the prestigious exhibition held at Sheffield Cathedral in the spring of 2025?

Each year Sheffield Photography Society has an exhibition of its best prints from its members. Over 200 prints are put on display and these are chosen by an independent judge to ensure only the best are put on display. Over 10 days in late March and early April, hundreds of people enjoy looking at the prints and the huge variety that are on display.

This year we will be reserving some space to display four prints from members of the public.
